

The Right Tool for the Job
Student Worksheet #2

Name _____

Tool-Word Match

Remove the Tool-Word Match plastic bag from the tool box. You will have two sets of cards. One set of cards contains pictures of the tools. The other set of cards contain the name of the tool. Match the picture card with the name of the tool card.

After you have matched all your cards turn over the picture and word card and add, subtract, multiply or divide the numbers on the back of the cards and place the answers in the blank on this sheet.

Example: Scissor picture card matches the word scissors

Scissors

When you turn both cards over this is what it says:

Add 3 +

3 =

On your worksheet for scissors you will put 6.
